

Nevada Veterans Advocate

The Nevada Veteran's Coalition is pleased to announce we now have two on-site Nevada Veterans Advocates [NVA]. These Advocates have been trained and certified to assist veterans with finding answers to their questions. A NVA's role is to assist veterans in navigating the VA system and the possibility of qualified programs. Here are just a few ways they may be able to assist you:

- Find the right department
- Find the right information
- Pathway to Qualified VSO
- Military Records
- Homeless Veteran Services
- Women Veterans Services
- Health
- Housing
- Education

Contact Steve Abernathy, NVA or Sydney Malcom, NVA at **775-302-3888** to learn more about this service or to make an appointment. The Advocates open hours for walk-ins are Wednesdays and Thursdays from 10:30 a.m. to 2:00 p.m.
