Frank Greenwood 775 200-4215

The Department of Veterans Affairs [VA] accredits three types of representatives—Veterans Service Organization [VSO] representatives, attorneys, and agents—to help ensure that claimants have access to responsible and qualified representation on their VA benefits claims. VA-accredited representatives must have good moral character and be capable of providing competent representation, and VA's Office of General Counsel is responsible for making those determinations through its accreditation process.
